

BRUNO SILVA MAIONE

Curriculum Vitae

1. PERSONAL INFORMATION

Name: Bruno Silva Maione

Registration at the Regional Council of Engineering and Architecture of Goiás:
N°10451/TD-GO

National Registration: N°1000557324

Date of Birth: May 4, 1983

Marital Status: Married

Phone: +55 (62) 8554-0111

Email: bsmaione@yahoo.com.br

Driver's License: Category AB since 02/19/2004, N° 03201195183

2. EDUCATION

2002-2005: Technical Degree in Mining – CEFET-GO.

Currently: 6th period of Production Engineering at Universidade Estácio de Sá.

3. FIELD OF INTEREST

- Mineral prospecting and exploration
- Geophysics
- Diamond rotary drilling
- Geotechnical drilling

4. PROFESSIONAL EXPERIENCE

Senior Mining Technician – Trias Brasil Mineração Ltda. Technical Department

Responsibilities: Supervision and inspection of large-diameter rotary drilling and geotechnical rotary drilling, opening access and drilling platforms, support for environmental studies, and social work with directly and indirectly affected people. Period:12/2022 to 05/2024.

Community Relations Analyst – Araguaia Níquel Metais Ltda. Community Relations Department Responsibilities: Community relations and stakeholder engagement, engagement with municipal political leaders. Period: 11/2021 to 06/2022.

Senior Mining Technician – Araguaia Níquel Metais Ltda. Technical Department Responsibilities: Supervision and execution of geophysical work (Magnetometry, Max Mim, VLF, and IP), drilling contract supervision, diamond rotary drilling, auger drilling, opening paths with topographic correction, soil sampling, stream sediment sampling, channel sampling, geological reconnaissance, degraded area recovery, surface owner contact, hydrogeology studies, support for environmental studies in pre-feasibility and feasibility studies for basic metals project implementation, and social work with directly and indirectly affected people. Period: 05/2018 to 09/2021.

Senior Mining Technician – Araguaia Níquel Mineração Ltda. Technical Department Responsibilities: Supervision and execution of geophysical work (Magnetometry, Max Mim, VLF, and IP), drilling contract supervision, diamond rotary drilling, auger drilling, opening paths with topographic correction, soil sampling, stream sediment sampling, channel sampling, geological reconnaissance, degraded area recovery, surface owner contact, hydrogeology studies, support for environmental studies in pre-feasibility and feasibility studies for basic metals project implementation, and social work with directly and indirectly affected people. Period: 02/2017 to 11/2017.

Senior Mining Technician – Araguaia Níquel Mineração Ltda. Technical Department Responsibilities: Supervision and execution of geophysical work (Magnetometry, Max Mim, VLF, and IP), drilling contract supervision, diamond rotary drilling, auger drilling, opening paths with topographic correction, soil sampling, stream sediment sampling, channel sampling, geological reconnaissance, degraded area recovery, surface owner contact, hydrogeology studies, support for environmental studies in pre-feasibility and feasibility studies for basic metals project implementation, and social work with directly and indirectly affected people. Period: 02/2011 to 08/2015.

Mining Technician – Geodrill Engenharia Ltda. Technical Department Responsibilities: Supervision of terrestrial and aquatic geotechnical drilling, and project management. Period: 05/2009 to 01/2011.

Mining Technician – Multigeo Engenharia Mineral Geologia e Meio Ambiente Ltda. Technical Department Responsibilities: Supervision of diamond and rotary percussive drilling, basic metals prospecting (Iron). Period: 08/2008 to 05/2009

Mining Technician – Pan Brazilian Mineração Ltda. Technical Department Responsibilities: Noble and basic metals prospecting, geochemical sampling, regional geological mapping. Period: 08/2006 to 05/2008.

Mining Technician / Production Supervisor – WFS Sondagem Ltda. (Servitec Geological Drilling) Technical Department Responsibilities: Production supervision and deviation reading with Ez-shot and Maxibor I and II devices. Period: 09/2005 to 08/2006.

Internship – Mineração Serra Grande S.A., Research Division / AngloGold Ashanti (Exploration) Responsibilities: Geochemistry, geophysics, diamond rotary drilling monitoring, and database development. Period: 02/2005 to 09/2005

5. LANGUAGES

Intermediate English:

Reading and comprehension – Intermediate

6. COMPUTER SKILLS

- Windows, Internet, Office (Word, Excel, Access, PowerPoint), Corel Draw 13
